19 On November 30, 2012, the Court issued an order in the above-
20 captioned matter that, among other things, deferred its ruling on
21 Plaintiffs' unopposed motion for attorneys' fees, ECF NO. 225,
22 "until such time as the Court is satisfied that the proposal for
23 distribution of excess has been effected and a plan for equitable
24 distribution of the settlement proceeds has been adduced and
25 finalized." ECF No. 246.

26 Since that time, the Court has entered the parties' consent
27 judgment under Rule 54(b), approved the Plaintiffs' proposal for
28 the distribution of excess, and approved the parties' Amended

1 Settlement Agreement. Further, the March 15 deadline for hardship
2 claimants to file additional information for their claims has now
3 passed, and this case's Special Master, Hon. James Larson, is
4 administering those claims.

5 The Court now requests that Plaintiffs prepare a short summary
6 of the progress of the distribution of excess and equitable
7 distribution of the settlement proceeds, in light of the Court's
8 prior order on Plaintiffs' motion for fees and the Court's future
9 consideration of said motion. See ECF Nos. 225, 246.

10 The deadline for Plaintiffs' report will be fourteen (14) days
11 from this Order's signature date.

13 IT IS SO ORDERED.
